

Our Friends and Partners, *who help make our success:*

Maw, Michener and Associates

Insurance Agents and Brokers

<http://www.mawmichener.com/>

Richard Maw has been providing Phoenix Construction and its principals with all of our insurance needs for over 30 years. The service and attention to their clients is unsurpassed. We highly recommend them for all of your insurance needs.

Montgomery Marble Company

<http://www.montgomerymarble.com/>

To convert granite slabs into your beautiful countertops, Montgomery Marble is equipped with state of the art machines and a qualified staff, not only for the fabrication, but the installation and service. Phoenix Construction is proud to have used Montgomery for almost 20 years, as well as being a proud NARI partner.

Woodline Moulding, Inc.

<http://www.gowoodline.com/>

Dave and the crew at Woodline bring back the true meaning of service. Their extensive line of moulding, trims, corbels, columns, and mantels, will amaze you. If they don't have it, they'll get it.

Dream Builders

(916) 224-9504

If you go to Woodline for your moulding needs, you'll certainly be given names for the installation of your crown, base, trim, or fireplace mantel. At the top of that list will be Dream Builders. Mike Jones is not one of the best, he IS the best installer you will find. Phoenix Construction has been using Dream Builders for our finish carpentry and fabrication projects for almost 10 years now, and our clients never cease to be amazed by the quality of the work he's capable of.

Infinity Engineering, LP

(916) 987-0839

Jeff Hoffman, P.E., has been taking care of the engineering requirements for our projects for 20 years. With the current requirements on building construction, an Engineer who is versed in the Building Codes, and Local Jurisdiction requirements, is essential.

Bell Tile

(916) 412-2640

Scott Bell of Bell tile has been doing our tile installation for over 24 years. His impeccable attention to detail and concern for a perfect finished product, has earned him high accolades from our clients on a regular basis. More often than not, he is one of the sub-contractors that we use, that is mentioned in the letters of referral that we receive from our clients. If you have any tile installation needs, small or large, Bell Tile is the only call you will need to make.

Robert Hudson Electric

<http://www.roberthudsonelectric.com/>

Robert Hudson Electric has been serving our residential and commercial electrical needs for over 19 years. Robert and his crews are capable of dealing with any electrical situation that comes along, with a creative, "can do" approach.

Dick's Rancho Glass

<http://www.dicksranchoglass.com/>

Dick's Rancho Glass (Rancho Cordova Location) has been providing us with exemplary service for over 20 years. Stop in and see the great folks at Dick's Rancho Glass for all of your glass needs.

A&A Appliance Solutions Distributors

<http://www.appliancesolutions.info/>

Appliance Solutions has been serving our client's appliance needs for 20 years. If you get a chance to see Steve Rosier, he'll be sure to guide you to the best appliance solution for your new home or remodel project. Steve has a wealth of appliance knowledge, and stays up to date on all of the current trends and needs.

Tri-Custom Drywall

(916) 628-8772

Darrel Roy of Tri-Custom Drywall takes care of our drywall installations, whether it's a 2500 sq. ft. remodel or a small patch job. Darrel has met some of the most challenging drywall installation and matching situations that we've come up against. If you have a patch, repair, or drywall installation project, be sure Darrel is at the top of your list.

Styles-n-Tile

<http://www.stylesntile.com/>

When they say they're the "biggest little tile shop in Sacramento", it's the truth, you won't believe that there can be so many well organized tile displays in such a small space. Serving the tile needs of Phoenix Construction and our clients since their opening, you will be certain to get courteous service for all of your tile needs.

The Floor Club

<http://roseville.thefloorclub.com/>

If Styles-n-Tile has the biggest little tile shop in Sacramento, the same can be said about The Floor Club (Roseville). You won't believe the selection of floor covering in such a small space. While they're wholesale only, you can still browse and decide on which floor covering we can provide for your project. Jim and Cindy and the gang will be happy to welcome you.

Exotic Granite & Marble, Inc.

<http://www.exoticgranite.com/>

Exotic Granite & Marble in Sacramento has one of the widest selections of easy to view granite and marble in Northern California. We will be sending you there to look at the granite choices available for your Kitchen or Bath Remodel.

The McDermott Group

<http://www.themcdermottgroup.com/>

For all of your Mechanical Engineering, and Energy Compliance needs, The McDermott Group is the solution. McDermott Design, and Valley Energy Consultants have been providing Phoenix Construction with all of our Compliance Documentation for over 20 years.

Collier Warehouse – Sacramento, Inc.

<http://www.collierwarehouse.com/>

Another one of our partners with NARI, Collier Warehouse has been providing us with our window and door solutions for our projects for over 12 years. Carrying the best products available, gives confidence that our finished project will provide the best service for years to come.

Brower Mechanical

<http://www.browermechanical.com/>

One of the most professional companies that we've had the pleasure of dealing with for over 20 years, Brower Mechanical has always found the best solution for our HVAC & Mechanical needs, and provided us with excellent service and the best quality. For any of your HVAC service or repair needs.

Berkstresser Landscaping

(916) 439-2139

Jesse Berkstresser provides our clients with the best value for their money on all of their landscape needs. Customers are amazed at the how efficiently their vision takes shape.
